

## *Island*

*We went on a ship sail fast one. The next few minutes well I wanted to make the well of power noted. It laughed the next stairway.*

*The destiny was formed and the bond broken was sew into our souls.*

*For what the damned would have said to the dead.*

*It started like a story that ended well with shipment.*

*I will sacrifice myself for the company in work form. I need the better Captain. I set out to journey back in time with Le Bonaparta. Le monsieur Le build Le plantacion. It ended well having great island plantation. It was as promised and delivered by it's Captain Drek.*

*We found enslaved humans from gorillas. Also we found a tiger he sits in the ship. Humans are being deported to the nearest Civilization and gorilla is being killed for enslaving and burned at stake.*

*The monkey left and we can't save ourselves from monkeys.*

*Our first island is being built into a jumpoff point for selling the coca with cargo planes.*

*It was seen the hominodea often refused as a child. I did my part with the Kr-98 , a gun seen In WWII.*

*I went searching for freedom. It was a great feeling to the master of know. I will commit the thing I was searching for. It went great. I will be next few days here in Carmen. Carmen was a great island. It was feeling great. I will be the one that will matter to the city. I will build a Civilization.*

*It was as I said the next develop centre of the World. I needed the assistance of my company. I need the best guns up front to be killing the dea. Dea is the monkeys trying to destroy the islands future. I need a*

*knowable fragment. It has been a month of a time here on the island. We sail for Costa Rica island known to monkey citizens that spread the disease. I need to fortify my weapons away from me and the kid knows how to please the visitor with a bomb of a making known to human as trip wire. We went on a hunt., i must evolve.*

*Island Costa Rica known as Mordalia land.*

*I went for search in event of disclamation of the better cannabis view that does its trick. I smoke a lot and I feel lost in this island climate but I have friends and lost the battle of developer future in the lost islands.*

*I found a sword here but it is rusty and handy worn by an undead soldier. His name is Raza Darmini Hristov. I found him also in a put away style. He had imaginable skills in war and flying magic appeared after he regenerated health.*

*A dead zone full of Vendols he fought them often. Didn't die.*

*I wanted Dreadon to make peace with him but he was losing from him one on one on the games we played as a party. I wanted to be cool from checking the allowance.*

*I will find Dracula I Will kill him.*

*Dracula and Raza are different in specimen. Vampyr and Undead.*
